## Board Announces New President

The Harris County Federal Credit Union Board of Directors is pleased to announce that Vicki Squires has been appointed to succeed Susan Roberts as President, effective October 1, 2011. Vicki joined HCFCU in January 2009 as the Executive Vice President.

“The Board has been planning for this transition for some time,” said Larry Dehnert, Chairman of the Board. “We are pleased to have someone with Vicki’s proven abilities and experience to lead our credit union.”

Vicki has over 14 years experience in the credit union industry. Prior to joining HCFCU, Vicki served as Vice President of Operations for PrimeWay FCU. She has also held senior management positions at Boulder Municipal Employees FCU and Centennial Lending. She has experience in operations, lending, compliance, training, retail services, marketing and business development. Vicki received her Bachelor’s degree from the University of Colorado at Boulder and moved to Houston from Colorado in 2005.

“HCFCU has a long history of putting people before profits. I am honored that Susan and the Board have entrusted me to carry on this legacy,” said Vicki. “I believe in the benefits of credit unions and am excited to have the opportunity to serve as your President. The strength of our credit union can be largely attributed to the talent and dedication of our entire team and the confidence you, the members, have placed in us. I would like to thank each and every member for their support. At HCFCU it is our goal to provide star quality service while meeting your individual financial needs. I am looking forward to working with all of you in the years ahead.”
