It's Me 247 Online Banking Instructions

You can access It's Me 247 Online Banking from the Harris County Federal Credit Union website 24 hours a day at https://www.hcfcu.com or our mobile app. Scan the QR code to visit our mobile app page & download the version fit for your device.

First Time User?

- You must establish on a desktop or through the mobile website to perform.
- Enter your Member number (Account number) and social security number. Then you can select email or text to receive a code good for 24 hours from the initial request.
- You will set up a new password, security questions, along with accepting the user agreement.

Established User?

Log on with your username, your account number and enter your password/PIN you set up. Remember, this is case-sensitive! If you've had your password reset at any time, you must log in within 24-hours of the request. Resets default to the last four of the primary member's social security number. It will then prompt you to change your password.
